The team at Select Realty Property Management (SRPM) wants to welcome you to our community! Our goal is to provide you with a pleasant and comfortable living environment. Preparing to take Occupancy

Now is the time to prepare to take occupancy. Review the information below to be prepared for your move-in date.

Office

The Property Management office phone number is 906-228-2772 (ext 234) and is open from 9:30am-4:30pm Monday through Friday. We are closed for all federal observed holidays. You can also email us at info@MQTrentals.com. ***Please note, there may not be anyone available in the property management office during the hours listed above due to meetings, service calls and showings. We recommend calling ahead if you'll need to speak with someone personally from our department.*** Email is the most efficient way to make contact.

Move-In time/day

Your move-in time will be between 5:00 PM and 7:00 PM on the first date listed on our lease. Please do not call us to ask about an early move-in if your move in date is farther out than 5 days. While we try to accommodate all early move in requests, due to move outs, that is not possible in most situations. We may grant an early move in time the day of move-in, once the property has been properly cleaned. Keys will be picked up at our office at the scheduled time.

Rent Payment / Auto Debit Form

You will be required to pay first months rent, security deposit and cleaning fee BEFORE you can get keys or move into the property. These payments must be made via cashiers check to guarantee funds. All rent payments after the initial month, will be made online through your tenant web portal (see email you received about how to setup). There is a \$5.00 convenience fee for online payments. However, we do offer a FREE rent payment option as an automated rent debit each month, but is not available on the first months rent. To complete the auto pay option, please complete the ACH Debit Authorization form. **Rent is due each month by the 1st at 5:30 PM, or late fees will be assessed.**
